## The Great Rebuilding in the Yorkshire Dales

A talk by Jan Goode

This talk revisits Hoskins' 1953 proposal for A Great Rebuilding in rural England and uses data from a case study in Upper Wharfedale to examine evidence for how the Great Rebuilding affected the Yorkshire Dales

Jan recently completed an MSc in Historic Building Conservation and this talk is based on research undertaken for her dissertation. Jan owns a 17<sup>th</sup> century cottage in Starbotton, Upper Wharfedale.
